      i. the name and address of the appellant;
      ii. the appellant’s registration number (if applicable);
      iii. the date, nature and other relevant details of the decision against which the appeal is brought;

The nature of the appeal hearing

9. All appeal hearings shall be held in public in the presence of both parties unless any of the provisions of rule 38 below apply.

12. Witnesses shall not be permitted to give live evidence to the panel save with the leave of the panel in accordance with rule 13.

13. If it is satisfied that it is just and reasonable to do so, the panel may permit a party to present any evidence not previously relied upon (fresh evidence), if the party seeking to rely on the material can satisfy the panel that:
   a. the fresh evidence was not reasonably available at the time the decision being appealed against was made; and
   b. the fresh evidence is relevant to an issue that is being considered by the panel.

14. Where fresh evidence is relied on by the appellant the Regulation Board may serve evidence in rebuttal in accordance with rule 7 above.

Powers to determine an appeal without a hearing

30. The panel may determine an appeal without an oral hearing based on any documents provided under rules 6, 16 and 18 where:

b. the appellant does not attend and is not represented;
c. the respondent does not consent to the appeal being determined without a hearing in accordance with rule 31;

a. in the interests of justice; or

d. for the protection of any person giving evidence, patient or service user, the whole or part of the hearing should proceed in private.

39. At the beginning of the hearing the Chair shall explain to the parties the order of proceedings which the panel proposes to adopt.
