

<b>DATE OF MEETING:</b> 14 <sup>th</sup> July 2015	<b>PAPER LEAD:</b> Author – Registrar	<b>AGENDA ITEM:</b> 7.
<b>TITLE: HSSR fitness to practise process</b>		
<p><b>PURPOSE</b></p> <p>Previous Regulation Council discussions have highlighted the need for clarity on how HSSR fitness to practise cases would be handled. The Registrar’s proposed algorithm is attached. Once agreed, more detailed procedures will be designed in support of the overall process.</p>		
<p><b>SUMMARY</b></p> <p>The algorithm demonstrates how cases would be handled and how communications with HCPC would be maintained, not just in relation to individual fitness to practise cases but also for broader issues that may arise in connection with both registers.</p>		
<p><b>TO AGREE</b></p>		

# Fitness to Practise Complaints. Algorithm for Higher Specialist Scientists
