

LSI ETSAG & Registration Council Meeting Thursday 13th August 2019

Summary Report

1. Actions and minutes of the meeting held on 17th July were reviewed. The minutes were approved subject to amendments.
2. Some commercial, in-confidence matters were discussed.
3. FAQs had been completed and published on the website.
4. An LSI newsletter for registrants was planned to keep them informed of the latest developments.
5. Raising the Register's profile was now being assisted by MIA promoting it alongside their own services when visiting Trusts.
6. The Deputy Chief Scientific Officer, Angela Douglas, had written to a number of Trusts. She had given permission for the Register to quote from this letter in its own communications.
7. The next meeting was scheduled for 13th November.
